Things are good...

- Business is good; profitable for the last 3 yrs; increasing staff
- Consistent Visual DataFlex revenue growth
- Strong team, working together globally to build great software
- Exciting new products coming

Commitment

- We are totally committed to the success of the Visual Dataflex product platform
- "All I can say is... WOW" - Forums, Feb 8th
- Multi-track projects - Windows & web

Visual DataFlex 2012 / 17.0

Q1/2

Visual DataFlex 2012 / 17.1

Q3/4

Collaboration

- Collaboration leverages core strengths and brings new expertise to an environment
- Internal: closest, most effective, worldwide collaboration ever
- External: Codejock, Cintac
- Community: more open per-releases... Better feedback; better, more satisfying products

Changes...

- Re-casting of Visual DataFlex marketing
- New "look" for Visual DataFlex
- New licensing models for web apps
- More webinars; more information
- New web site
- More presence of Dynamic AI

DYNAMIC AI

Business intelligence simplified

- The time is right... product, marketplace
- Excellent fit to contemporary business needs; complimentary to Visual DataFlex applications; a great business opportunity for developers
- New, lower cost license option

Events

- EDUC - Biona, Spain, May 31-June 1
- SCANDUC - Copenhagen, DK Nov 29-30
- Corroboree - Gold Coast, Aust., Oct. 26-27

Social media

- LinkedIn
- Facebook
- Twitter

We are here to...

- Provide information - formally & informally
- Listen to your feedback
- Refresh old relationships & build new ones
- Provide goodies.....!

The logo features the text "DISD" in a large, bold, serif font at the top. Below it, "dallas, tx" is written in a smaller, lowercase, sans-serif font, separated from the text above by a thin horizontal line. At the bottom, the year "2012" is displayed in a large, bold, serif font. The entire text is set against a dark gray background with a subtle, embossed circuit board pattern.

DISD
dallas, tx
2012

Thank you...
